Homeowner Builder Permits. Per Florida Statute 489.103(7)(b), all homeowner builder permits must be applied for in person. Homeowners MUST personally appear and sign the building permit application and satisfy local agency requirements. In addition, owners acting as their own contractor when building or improving must prove the occupancy is for their use only and not offered for sale or lease.

An anti-lock braking system (ABS) is a safety anti-skid braking system used on aircraft and on land vehicles, such as cars, motorcycles, trucks, and buses. ABS operates by preventing the wheels from locking up during braking, thereby maintaining tractive contact with the road surface and allowing the driver to maintain more control over the vehicle.. ABS is an automated system that uses the ...
