The Paper 2 exam consists of six essay questions, only one of which must be answered during the timed period. The essay is to be written about the Part 3 literary texts. Therefore, it is a test of understanding literature in context. Although the questions will change from exam to exam, they will always focus on the connection between, style, form, author, purpose and audience.

I've still got Paper 2 to cover and I'm sure I'll think of more tips to give for English Paper 1 in future. On a side note though, I actually like giving past paper advice because the papers are quite similar for both HL and SL so the techniques I talk about can usually be put to the test in both cases.
