Trivia. Chris was the main antagonist for the majority of the film, but was ultimately killed off to make way for the true main villain to take over.; She is the polar opposite of Carrie; Chris is a spoiled brat and, unlike Carrie, possesses only a faint moral or ethical center, and is generally considered strikingly attractive.

I think you forgot one of his books published in 2010. It was about a private detective agency, and the name of the book was "Private". By the way, I love James Patterson. His books often are somewhat the same, but they quick and easy reads that are hard to put down because they keep you wondering about all of the plot twists and turns.

I a man avid reader of James Patterson. Every year I vow not to buy another one of his books : this has become an empty vow. As a Black/ Native American ,while reading the Alex Cross novels, I could not believe that Mr. Patterson was Caucasian: Repeatedly , I looked up pictures of him to check out his race, Never have I read someone who enters into the psyche of another race so thoroughly.
