ratings of books they've read . myON reader tracks book usage and reading growth over time and can project a student's future reading score based on their current reading activities within the system.

myON®

View list of volumes by year. The curriculum units Fellows write are their own. They are compiled in a volume for each seminar. The volume contains a preface that describes the organization of the seminar and an introduction by the Yale faculty member who led the seminar that describes what the Fellows studied in general and sometimes comments on the units they wrote in particular.
