Masterclass Review (2021): Is It Worth The Money?

Pixar is well known for producing profound family movies that deal with quite serious issues in a child-friendly manner. For instance, the 2015 movie Inside Out made headlines for its nuanced portrayal of mental health issues, while 2008's Wall-E tackled humanity's role in climate change. In 2020, Pixar brought us Onward, about a world that was once filled with magic, but has since turned into ...

How Positive Media Can Make Us Better People

The initial scenes establish how important it is, to listen to your parents and be careful about the dangers that surround your lives. As the story progresses, it also teaches kids to be brave and courageous even in the face of adversity. Valuing those friends who help you when you are in trouble is also a valuable lesson this movie teaches.
