### Form Follows Finance: Skyscrapers and Skylines in New York ...

Refuting some common cliches of skyscraper history such as the equation of big buildings with big business and the idea of a "corporate skyline," Willis emphasizes the importance of speculative development and the impact of real-estate cycles on the forms of buildings and on their spatial distribution. Form Follows Finance cautions that the city must be understood as a complex commercial environment where buildings are themselves businesses, space is a commodity, and location and image have ...

Carol Willis, Form Follows Finance: Skyscrapers and Skylines in New York and Chicago. (New York: Princeton Architectural Press, 1995) reviewed in BUSINESS HISTORY REVIEW. 71 (1997): 327-28. The history of the skyscraper has become a lot more interesting of late, and this book shows why. Not so long ago historians viewed skyscrapers solely from the outside, as if they were only architectural objects.

'Form Follows Finance' is a book for experts and those with a more general interest in the subject of skyscrapers alike. Hardly casual reading at the best of times, its details and facts are not always engrossing to a mere amateur or even an avid enthusiast.

### Form Follows Finance: Skyscrapers and Skylines in New York ...

Summary: "Although fundamental factors of program, technology, and economics make tall buildings everywhere take similar forms, skyscrapers in New York and Chicago developed very differently in the first half of the 20th century. In contrast to standard histories that counterpose the design philosophies of the Chicago and New York "schools," Form Follows Finance shows how market formulas produced characteristic forms in each.

### Form Follows Finance: Skyscrapers and Skylines in New York ...

Very interesting video. We are not sure about the Skyscraper Index because the current economic situation is so unique. We do suspect unless a COVID vaccine hits the market soon, the work from home/exit to the 'burbs transition will accelerate and office buildings and related commercial real estate investments are going to continue to be...
