The Honda EU2200i comes equipped with a parallel outlet that lets you connect with another EU2200i or its predecessor, the EU2000i. This doubles the available wattage, letting you power more devices or more intensive appliances that might require more energy.

Honda EU2200i - In-depth Review | Update (Nov. 2021)

I chose the Honda 2000i and the 2000i companion so that I could move it around by myself without throwing out my back or having to get help from the SO. I'm 58 now, but am looking toward the future when I won't have the strength to move around a 100 lbs on my own. So now I have the Honda 1000i, 2200i and 2000i companion.
