For example, the familiar "@" sign, early programs for sending and receiving messages, and technical specifications known as RFCs, are examples of such false claims to "email". But as some claimants have admitted, even as late as December 1977, none of these innovations were intended to emulate the paper-based mail system - Inbox, Memo, Outbox, Folders, Address Book, etc. Sending text ...

With Facebook, Inc. (NASDAQ:FB)'s firestorm of social and legal problems, perhaps CEO Mark Zuckerberg's motto "move fast and break things" is akin to an arsonist setting fires his colleagues (and the world) have to extinguish. Zuckerberg and 30.6% of those we've surveyed identify as the Inventor personality. This personality's superpower can likewise be his (or your) demise.
