**John Drane: The McDonaldization of the Church ...**  
The McDonaldisation of the Church was written in retrospect at the end of an era rather the beginning of one. Published shortly before 9/11 and before the internet (referred to here as the World Wide Web) spawned social media, Drane saw many of the ways in which culture was moving (and the Church wasn't).

**The McDonaldization of the Church: Spirituality ...**  
John Drane takes George Ritzer's McDonaldization theory of contemporary society ('The McDonaldization Of Society') and applies it to the church. The McDonaldization of society is the view that corporations are trying to fit us into a pre-packaged rationalist system, left over from the modernist age, despite our post-modernist veneer.

After McDonaldization: mission, ministry and Christian discipleship in an age of uncertainty 30 November, 1999 - John Drane offers the follow up to The McDonaldization of the Church - where he puts forward arguments for a reinvigorated style of ministry, questions what it means to be Christian in a post-Christendom context, and asks what values might inspire the leaders of the 21st century ...

**After McDonaldization: mission, ministry and Christian ...**  
John Drane's acclaimed The McDonaldization of the Church identified the catastrophic trend of western churches offering uninventive, pre-packaged worship to dwindling congregations. Since its publication, church attendance has continued to decline even though increasing numbers of people are searching for spiritual integrity and truth.

**After McDonaldization: Mission, Ministry, and Christian ...**  
John Drane: The McDonaldization thesis is a specialized version of Max Weber's understanding of the social process, and especially focuses on the extreme rationalization of late 20th century cultures made possible through the development of technology and the consequent multiplication of rules, regulations, and fixed procedures, and the general growth of bureaucratic systems.
