Claire Kramersch 11.1 Introduction In language education there has always been a tension between the conventionally agreed upon and collectively shared ways of making meaning by members of a given culture, and the individual idiosyncratic uses of language by speakers and writers. In foreign language education, there is an additional tension ...

CHAPTER 11 Third Culture and Language Education

In the first perspective, language and culture can be separable, since it is possible for a language to express or create, as Kramersch (2009) would say, different realities or cultures. In the psychological perspective these two are inseparable, since an individual carries all the linguistic and cultural experience within oneself.
