### **Mortality Christopher Hitchens**

Mortality is a 2012, posthumously published book by Anglo-American writer Christopher Hitchens. It comprises seven essays which first appeared in Vanity Fair concerning his struggle with esophageal cancer, with which he was diagnosed during his 2010 book tour and which killed him in December 2011. An eighth chapter consisting of unfinished "fragmentary jottings", a foreword by Graydon Carter ...

Christopher Hitchens nacque a Portsmouth, nel Regno Unito. Il padre Eric era un ufficiale dell'esercito britannico. La madre di Hitchens, Yvonne, si suicidò nel 1973: solo dopo la sua morte il figlio scoprì le sue origini ebrae. Hitchens afferma quindi di essere di origine ebraica, essendo sua nonna materna ebrea. La famiglia di Hitchens era di religione battista.

This is Peter Hitchens's Mail on Sunday column. People often accuse me of being a 'Populist' because some of the things I say are popular. Well, today I am going to be an Unpopulist. I think the Royal Navy's antics in the Black Sea last week were little short of crazy. I struggle to find a parallel that would be as mad.

Probably the greatest film critic of all time, Roger Ebert, tells us not to rage against the dying of the light. This essay is full of courage, erudition, and humanism. From it, we learn about what it means to be in the process of dying (Hitchens' "Mortality" is another great work on that theme). But there's so much more.

Ian Gallagher and Peter Hitchens have written a couple of good pieces in today's Mail on Sunday about Susan Michie, Professor of Health Psychology at UCL and a leading member of SAGE. She is one of the most zealous advocates of lockdown, believing restrictions should remain in place long after the U.K. population has been vaccinated.
