National Geographic Readers Planes

On September 11, 2001, hijackers flew planes into the twin towers of New York City's World Trade Center; the Pentagon just outside Washington, D.C.; and a field in Somerset County, Pennsylvania.But during the worst terrorist attack in U.S. history, ordinary people performed heroic actions. Meet some of the heroes who saved so many lives that day.

Heroes of 9/11

Soon people knew that hijackers—individuals who capture an aircraft, ship, or vehicle by force—had taken over the planes. A group of men had taken control of the cockpit of each airplane and flown them into the buildings on purpose. ... (AD) National Geographic Readers: September 11. Get the book! An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

Ebook - Wikipedia

Business travel is nearly as old as business itself. Stacker traced the history of business travel, from ancient trade routes and steam locomotives to business-class airfare.. From the first trade routes that were established in Eurasia in 3000 B.C., the exchange of goods across the globe has been a major driver of business travel.
