Free Piano Chords Chart - Piano Keyboard Guide.com

All piano chords contain a root note -- this is the note the chord is named after -- as well as one or more additional notes. Basic piano chords often consist of only two or three notes, while the more advanced chords tend to incorporate even more notes. The most common type of keyboard or piano chord is a triad, or three-note chord.

Piano Chords for Beginners | School of Rock

Identify the root note of a chord. On a chord chart, the root note is the first capital letter for the name of the chord. The root note is the first note you play, and the note upon which the rest of the chord is built. All the other notes in a chord are typically named in relation to the root note.
