phone for small and medium sized rooms The SoundStation IP 6000 is a SIP conference phone that delivers legendary audio performance for small to midsize conference rooms.

Conference Phones | Poly, formerly Plantronics & Polycom

The SoundStation IP 6000 boosts productivity and reduces listener fatigue by turning ordinary conference calls into crystal-clear interactive conversations. It delivers high-fidelity audio capturing both the deeper lows and higher frequencies of the human voice for conference calls that sound as natural as being there.
