Postcolonial Subjects Francophone Women Writers

Postcolonial fiction writers deal with the traditional colonial discourse, either by modifying or by subverting it, or both. Postcolonial literary theory re-examines colonial and postcolonial literature, especially concentrating upon the social discourse between the colonizer and the colonized that shaped and produced the literature. In *Orientalism* (1978), Edward Said analyzed the fiction of ...

They indicated that women were not consulted in the governance or transition process, despite their constituting the majority of the labor force. One participant observed: "Women make up at least 50 percent of the population in Africa and are active at the grass roots level. We need to help make other women aware of the democratization trend. . . .
