On the list of the top military spenders in the world, it's a fairly well-known fact the U.S. spends as much on its military as the next five countries on said list, combined. Which is fine by the military, because golf courses, and flat screen TVs (and if you're in the Marines, a barracks next to a river of sh-t) don't come cheap.. What's more valuable than talking about the best ...
