The Bachman Books is a collection of short novels by Stephen King published under the pseudonym Richard Bachman between 1977 and 1982. It made The New York Times Best Seller List upon its release in 1985.

The Bachman Books - Wikipedia

Without a doubt one of my favourite books, the Bachman Books proves that horror is not about vampires, werewolves and blood but rather about human nature, depravity and circumstance. The Long Walk, Rage, Roadwork and the Running Man were included in my copy, with Thinner and the Regulators being read seperately.

The Bachman Books by Richard Bachman - Goodreads

It is now a story that is difficult to find, except in the Bachman Books. The Long Walk is about a competition where one hundred people must walk continuously at a set speed. If they fall below the speed too often they are killed.

King had "killed off" Bachman after the secret behind his identity came to light, but in 1996, King released a "posthumous" Bachman book called *The Regulators*. The book is set in a parallel universe to the King novel *Desperation*, published the same year, and concerning mostly the same characters. However, the two stories place these characters in different situations.

Every Stephen King Book Written by "Richard Bachman"

But with 'The Bachman Books' I feel like King has gone some way to finally reeling me in with what is undeniably a very enjoyable collection of dystopian fiction, which lies somewhere between George Orwell and Richard Matheson. 'The Long Walk' in particular was a great read, hard to put down and extremely thought provoking.

In his introduction to *The Bachman Books*, King states that adopting the nom de plume Bachman was also an attempt to make sense out of his career and try to answer the question of whether his success was due to talent or luck. He says he deliberately released the Bachman novels with as little marketing presence as possible and did his best to "load the dice against" Bachman.
