Written by two real-life mothers with years of hands-on experience as well as blogging fame, The Big Book of 100 Outdoor Activities covers everything from make-believe to crafting, with a sprinkling of education hidden carefully where it won't be easily noticed by school-weary children. For example, one activity involving the planting of seeds in newspaper pots quietly introduces the word "biodegradable" (p. 29), while children making the "Floral Crown" (p. 136) come away with the ...
