Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

The British Empire 1558 1995

The British Empire was composed of the dominions, colonies, protectorates, mandates, and other territories ruled or administered by the United Kingdom and its predecessor states. It began with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height it was the largest empire in history and, for over a century, was the ...

Online Coins of the Roman Empire: Search

While many think of the throne of the British monarchy being passed in the same way, that crown has undergone some 'non-linear' transitions over its long history. Counting those transitions which yielded adult heirs to the throne, there have been nine (9) different Y-DNA dynasties in the 1,086 years since Aethelstan became the first King of ...
