Other players won't be affected. If both players have the same mods, they'll see the same visual changes. The exception is Content Patcher farmer appearance mods that add, rather than recolor, the existing sprites. All players need to have the same amount of new sprites (e.g. hairstyles or shirts) or there can be visual bugs for other players. On older versions of SMAPI, this can cause crashes.

Every class's subclass options are different, so the class you choose to design for is the most important step to start with. For example, a fighter's Martial Archetypes give a total of five features, at 3rd, 7th, 10th, 15th, and 18th level. However, a rogue's Roguish Archetypes give a total of four features at 3rd, 9th, 13th, and 17th level.
