The Company She Keeps (1942) is the debut and a semi-autobiographical novel by American writer Mary McCarthy. It is an unconventional work, tracing the journey of a highly politicized young Catholic college graduate through various stages of emotional development, in unusually frank and revealing detail. The story blends many themes that had marked the author's own life, such as patriarchy ...

The Company She Keeps (novel) - Wikipedia

Human impacts on life on Earth have increased sharply since the 1970s. The world is increasingly managed to maximize the flow of material contributions from nature to keep up with rising demands for food, energy, timber, and more, with global trade increasing the geographic separation between supply and demand.

Pervasive human-driven decline of life on Earth points to ...
