In his book, " The Different Drum: Community Making and Peace," he identified 4 clear stages to successful building of True Community. We call this "Community" with a capital "C" and these are the four stages Dr. Peck outlined:

The Four Stages to Building True Community

"The overall purpose of human communication is - or should be - reconciliation. It should ultimately serve to lower or remove the walls of misunderstanding which unduly separate us human beings, one from another. ' Although we have developed the technology to make communication more efficient and to bring people closer together, we have failed to use it to build a true global community.
