The Dream-Quest of Unknown Kadath is a novella by American writer H. P. Lovecraft. Begun probably in the autumn of 1926, the draft was completed on January 22, 1927 and it remained unrevised and unpublished in his lifetime. It is both the longest of the stories that make up his Dream Cycle and the longest Lovecraft work to feature protagonist Randolph Carter.

Humans spend about one-third of their lives asleep, yet most individuals know little about sleep. Although its function remains to be fully elucidated, sleep is a universal need of all higher life forms including humans, absence of which has serious physiological consequences. This chapter provides an overview of basic sleep physiology and describes the characteristics of REM and NREM sleep.

No, our holy damage comes from Soul Charge and not specific skills. Impaling rays can be really helpful for farming, but even when maxed the cooldown is 10 seconds long, so you wouldn't be able to clear all mobs per cycle. Moon shadow's AOE is really quite big, it's much easier to use to clear a majority of the mobs per spawn cycle in my opinion.
