Free ebook download sites: – They say that books are one’s best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

### **The Emotional Lives Of Animals**

If the onus on Emotional Lives of Animals author Marc Bekoff was simply to prove that nonhuman creatures exhibit Charles Darwin's six universal emotions (anger, happiness, sadness, disgust, fear, and surprise), then his book would be very brief. As anyone who has ever had a pet dog, cat, rabbit, or even bird can attest, animals not only possess such emotions but broadcast them clearly and often.

### **The Emotional Lives of Animals: A Leading Scientist ...**

Bekoff is trying to teach people who don't necessarily agree that animals have "emotional lives" about the behaviors and signs that speak for animal emotions. However, he argues for the relevance of the work he and other scientists have done by asserting that the emotional lives of animals are important to humans because we need animals.
