The Unforgiven. The Legacy of Caliban echoes down through the ages, and the secretive mission of the Dark Angels continues: to atone for the sins of their forefathers and capture all of the renegades and heretics known as the Fallen. With the most famous of these Fallen Dark Angels - the elusive Cypher - now firmly in their grasp after his unexpected surrender, the Dark Angels are given fresh hope that they can redeem themselves in the eyes of the Emperor.

Unforgiven is the best of the Caliban trilogy in my opinion. Typical military sci-fi action...and the best of political intrigue; and of course, the standard 40K theme of the good guys never REALLY winning. Not a criticism of Mr. Thorpe, just a fact of life in the world where there is only war. (Cypher gets a.
